South West Ross Community Car Scheme

Report of the Trustees For The Year Ended 31 March 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Charitable Purposes

The object of the charity is to provide a community transport service for such of the inhabitants of South West Ross and its neighbourhood who are in need of such a service, because of age, sickness or disability (mental or physical), or poverty, or because of a lack of availability of adequate and safe public passenger services.

The bedrock of the scheme is the local, volunteer telephonists (11) and drivers (27) who support the isolated communities of Wester Ross by organizing and providing transport to get to local medical appointments, transport links, dentists, social events and local shops and also to provide transport to hospital appointments across the Highlands. Volunteers provide the major "in kind" contribution to the charity.

ACHIEVEMENT AND PERFORMANCE

Charitable Activities

Voluntary Transport

SWRCCS drivers travelled 29,206 miles during the year. This included 8669 miles which were travelled getting to and from our passengers and 20,537 miles which were travelled with a passenger in the car getting them to wherever they needed to be; a service that assists in alleviating loneliness and isolation, encourages independence and enables social interaction within the community.

Volunteer drivers have undertaken 430 journeys and the telephonists have organised 475; an average of nearly 40 every month and an increase of 5% over the previous year.

The majority of reasons why people needed these journeys was for vital access to medical facilities. Without the SWRCCS many people would have found it much more difficult to access medical care and so the service that is being provided is vital to the health of our communities. Social outings and linking to public transport services were also important and these all support the wellbeing of the community.

ACHIEVEMENT AND PERFORMANCE

Linking with Other Organisations

The SWRCCS has worked with other organisations and the good relationships that have been built with our partners has enabled the charity to respond much quicker and more effectively to the Covid 19 pandemic. The Scheme has also strengthened and formalised its working relationships with local community councils, medical practices, the Howard Doris Centre and other local organisations. Membership has been developed to include these groups so that they are informed about the work we do and can feed into the organisation. The strong relationships mean that the scheme can be more responsive to meet the needs of the South West Ross communities

COVID - 19

The onslaught of the Covid-19 pandemic required that the SWRCCS had to address new needs and challenges and the drivers started delivering prescriptions, supporting communities accessing services and, exceptionally, still taking people to hospital. Many of our existing volunteers had to self-isolate, however 30 new volunteers offered their services to continue this vital work. The imperatives to change protocols and set good practice in the delivery of our services has provided challenges and additional burdens on the organization; but with the commitment of our volunteers, the SWRCCS has been able to adapt quickly and safely.

Strategy

The Board is developing a strategy to include what a post Covid 19 world may look like. There is no doubt that the future will bring many challenges and changes however the Board feels that the organisation has shown resilience and flexibility and that the Scheme will be able to continue to meet the needs of the community and deliver appropriate and responsive services to those who need it.

FINANCIAL REVIEW

Financial Performance

The SWRCCS main income is through grants received from Highland Council and from NHS Highland; other income is generated from donations, from the proceeds of local fund-raising events and activities and passenger donations. The detailed financial information is shown in the financial statements.

The balance sheet identifies a small surplus of income over expenditure; the two main reasons for the surplus were due to an adjustment for the 2018/19 Highland Council grant that was not included in the 2018/19 accounts and for two month's salary that was not paid during the interregnum when a new Coordinator was appointed.

Reserves policy

The trustees have approved a policy to maintain reserves equivalent to two years of operating expenditure and this is reviewed regularly by the trustees in the light of any changing circumstances.

The Reserves Policy was approved by the trustees on 3 September 2019 and a review of the Financial Controls and Authorisation Policy and the Expenses policy was undertaken prior to their approval by the Board in June 2020.

Donated facilities and services

The trustees and volunteers donate their time in order to achieve the primary objective of the trust.

**Independent Examiner's Report to the Trustees of
South West Ross Community Car Scheme**

I report on the accounts for the year ended 31 March 2020 set out on pages six to fourteen.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
